Dear Fellow Southwestern Alumni:

On behalf of the Southwestern Alumni Association Board of Directors, I am pleased to provide you with our 2008-2009 Calendar of Events. As you can see, we are planning to host a variety of exciting activities from alumni–student networking receptions to MCLE programs, to family-oriented festivities, and we will most likely be holding a regional reception in your area at least once this year.

I hope you will mark your calendars with the Alumni events that you plan to attend. Invitations for each event will be mailed to you approximately one month in advance.

We also welcome suggestions for additional programs, so please don't hesitate to contact us with new ideas.

Last year's events earned rave reviews and broke attendance records. Please be sure to join us this year as often as you can. I guarantee you will be glad you did!

We look forward to seeing you soon.

Best wishes,

Steven P. Byrne '77
President

Southwestern Alumni Association

The Southwestern Alumni Association includes more than 10,000 Southwestern graduates who are members of the legal profession throughout the United States and abroad. Every Southwestern graduate automatically becomes a member of the Association and no dues are required. The Association's Board of Directors coordinates a variety of programs and activities that encourage continuing alumni involvement with the law school and fellow graduates.

For nearly a century, Southwestern has been at the forefront of legal education, developing precedent-setting academic programs, fulfilling a unique commitment since its founding to serve underrepresented groups, and providing rigorous and relevant legal education programs for generations of leaders. The law school's long roster of successful, supportive alumni represents a remarkable record of achievement.

Today, the law school offers four programs of study for the Juris Doctor degree as well as two LL.M. degree programs to meet the needs of an exceptionally diverse and talented student body; a dedicated and experienced faculty presenting a comprehensive global curriculum; award-winning cocurricular and extracurricular programs to promote the development of professional skills and encourage community involvement; and a campus of singular architectural beauty and technological sophistication to provide an inspiring environment for effective legal study and research.
