- REGISTRATION REQUIREMENTS -

General Course Information

Each student is responsible for taking courses which satisfy prerequisites if applicable, and avoiding schedule and final examination conflicts.

Prerequisites

Students are responsible for making sure they have completed any prerequisites for a course before attempting to register. Prerequisites for courses are noted in their course descriptions viewable through WebAdvisor as well as on the Summer Session web page online at www.swlaw.edu/academics/summer/summerdetails.

Unit Enrollment Requirement

Full-time students may enroll in a maximum of eight (8) units for the Summer Session. Part-time students may enroll in a maximum of six (6) units for the summer. Visiting Students must check with their home institutions regarding their approved units and course load.

Students who wish to take more than the maximum number of units must obtain approval from the Dean of Students prior to registration.

- SPECIAL TYPES OF REGISTRATION -

Externships

General Information

All students interested in a summer Externship must be familiar with the Externship Policies and Guidelines and related information, available at www.swlaw.edu/academics/extern. All students interested in participating in a summer Externship must submit a completed Externship Application along with a cover letter for each placement and a resume. Visiting students must also submit a letter from the student's law school verifying that the school will accept credit/no credit units earned through Southwestern's Externship Program. Students must also submit a completed Summer Visiting Student Application Form, letter of good standing, and \$50 Student Services Fee to register for Southwestern's Summer Session Program which encompasses the summer Externship Program.

Externship credit may be granted for 2, 3, 4 or 5 units, depending on the field placement and number of hours of supervised legal fieldwork. The Registration Form must have the written approval for the Externship and the corresponding units from the Externship Office prior to submission to the Registration and Records Office.

All externships begin on Wednesday, June 1, 2016 and continue for eight consecutive weeks. Descriptions of placements, the Externship Application and the Externship Program Policies & Guidelines are available from the Externship Program Office in Room W231 and online at www.swlaw.edu/academics/extern.

Mandatory Orientation and Guided Reflections

All externs **must** attend a **mandatory** Orientation meeting on **Wednesday, June 1, at 5:00 p.m.** (or, the alternative Orientation meeting on Wednesday, April 13, at 12:30 p.m.). In addition to the Orientation meeting, course requirements will include "Guided Reflections," through the Externship Program's TWEN page in the form of online submissions concerning their placement; these submissions will be supervised by Faculty Advisors. Full-time externs, BEMLI, and Entertainment Practicum students must also submit a 6 to 7 page paper at the end of the externship.

Course Grade

Students must satisfactorily and timely complete the requirements set forth in the Syllabus to receive a grade of "Credit." Failure to do so will result in a "No Credit" grade for the externship. In addition, any student who does not satisfactorily and timely meet the academic component requirements (e.g., timesheets, Guided Reflections, or final submission requirements), will be subject to point deductions of one point per day (including weekends and holidays), unless a compelling excuse applies.

Students with 6 to 10 deduction points will be required to complete an extra writing assignment. Students exceeding 10 deduction points will lose one or more units without reimbursement for the unit(s) lost, as follows: 11 to 15 points, lose 1 unit; 16 to 20 points, lose 2 units; 21 to 25 points, lose 3 units; and continuing with each 5- point increment equivalent to loss of another unit. The Syllabus provides additional details about the Externship grading policy.

First Day Attendance Policy (Seminars, Courses Which Meet the Writing Requirement, and Skills Courses)

Students must attend the first class meeting if they have registered for, intend to register for, or are on a waitlist for a seminar, a course which satisfies the writing requirement, or a skills course. Courses with the First Day Attendance Policy are designated as such in their course descriptions on WebAdvisor.

The first class sessions of these courses involve detailed planning that is necessary to the format of the entire course. This policy ensures fairness to students on the waitlist and to students in these courses who depend upon their classmates' attendance. **Students who do not attend the first class meeting may be de-enrolled automatically from the course.**

Students who are enrolling into the course from a waitlist after attending the first class meeting must be sure to sign-in on the class attendance sheets. The Registration Office will contact students once it has been determined if more students may register for the section after the first class meeting.
