

GAP Associate Program

SOUTHWESTERN LAW SCHOOL

L O S A N G E L E S

The GAP Associate Program (GAP) is a recruitment platform that matches recent Southwestern graduates with small firms that do not typically hire entry level attorneys for twelve-month, full-time, paid positions at salaries similar to those of post-graduate legal fellowships. GAP will provide you with legal experience, a path to a permanent career, as well as mentorship. An intensive legal training boot camp taught by a highly experienced litigator will prepare you as a new attorney for the first year of practice. The hands-on interactive courses will cover topics, such as discovery and depositions, law and motion, the pre-trial process and client relations. The GAP introduction to practice guides will reinforce how the rules of civil procedure work in practice. GAP participants will leave the program with a better understanding of the litigation process, as well as fresh work samples, new networking contacts and a greater sense of confidence.
