ACCELERATED 2 – YEAR J.D. PROGRAM

Each year, we welcome a handpicked cohort of diverse and talented students to our 2-year program. We have been doing so for over 40 years—decades longer than any law school in the country! SCALE offers a robust curriculum that exposes students to multiple practice areas, core legal doctrine, and essential lawyering skills.

The program includes a required set of courses, a guaranteed externship, and flexibility to create a focus area or concentration (e.g. entertainment and media, criminal, public interest, civil advocacy, or technology law and entrepreneurship) through a second externship, choice of electives, working in a legal setting, or attending a summer abroad program.

"I'm very proud to be part of this trailblazing program that provides the best of all worlds—cohesion, collaboration, and collegiality with access to all the honors programs, clubs, and activities that Southwestern offers."

- Harriet M. Rolnick, Associate Dean of SCALE and Associate Professor of Law
