

# Bison Bridge

**Bison Bridge** programs equip students with essential tools for navigating through, and thriving in the law school environment. All students (especially first-gen) are welcome and encouraged to participate.

# Southwestern Law School Bison Bridge Program Overview

Bison Bridge programs are designed to offer academic and social support to first-generation students, while all students are welcome to participate. Program offerings include:

## Supplemental Academic Resources

- 1 Through our partnership with Legally Fit, students have access to asynchronous academic skills and mindset modules.

## Workshops and Events

- 2 Academic workshops and events tailored to demystify the law school experience are offered throughout the semester.

## Community Building

- 3 Students can form community through the mentorship program and by attending the various workshops and events.
